On the Faith Arlington app, select "Giving" at the bottom of the screen, then select "online giving" on the next screen. This will take you to the new Giving system.

Now you are on the home screen of the new giving system. You have the option to enter your donation information without logging in, but creating an account will save time and will make it easier to view your giving history ! To create an account, select the menu in the top right corner, then select "Log in".

You'll be prompted to enter your mobile number. You can also select "Use email address instead" at the bottom of the screen. Enter your information, then select "Next". You will receive a six-digit code either by text message or by email. Enter it in the box, then click "Next" again.

You will then be prompted to enter your first and last name. Once you've done so, select "Next" again.

Your account has now been set up! At this point, you can scroll down to "Select payment method" and input your preferred payment method. Adding your bank account is recommended, as the fees are a lot lower.
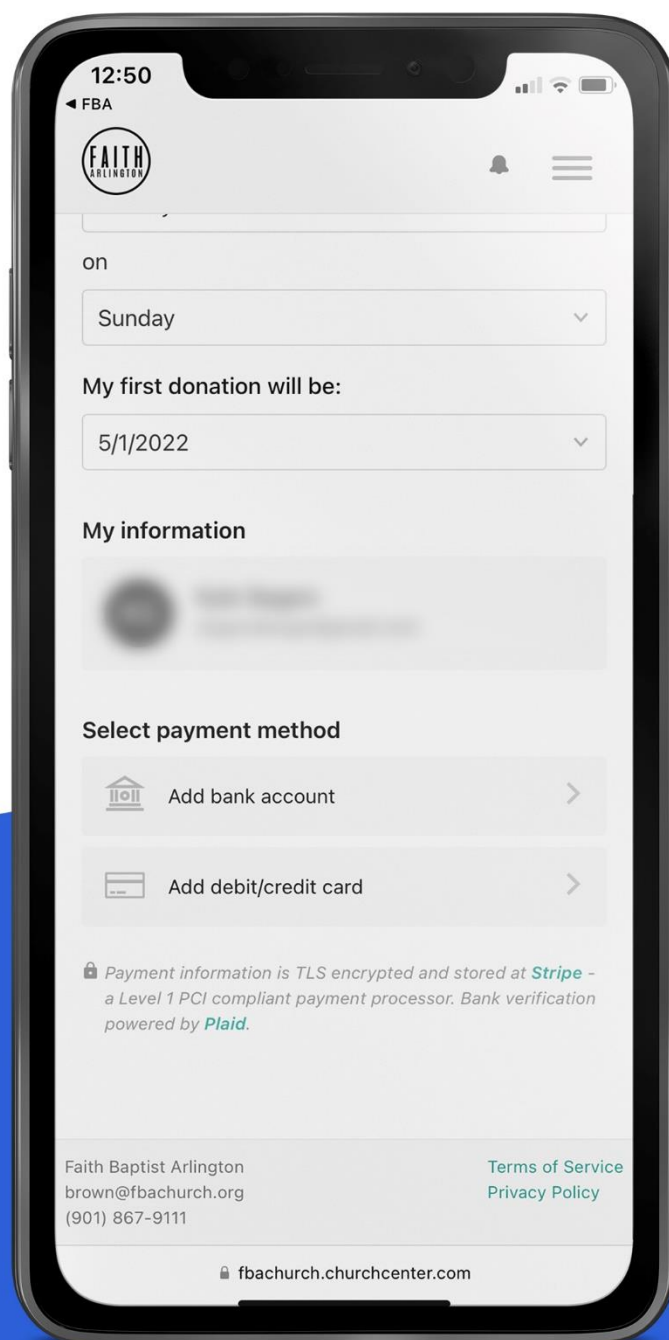

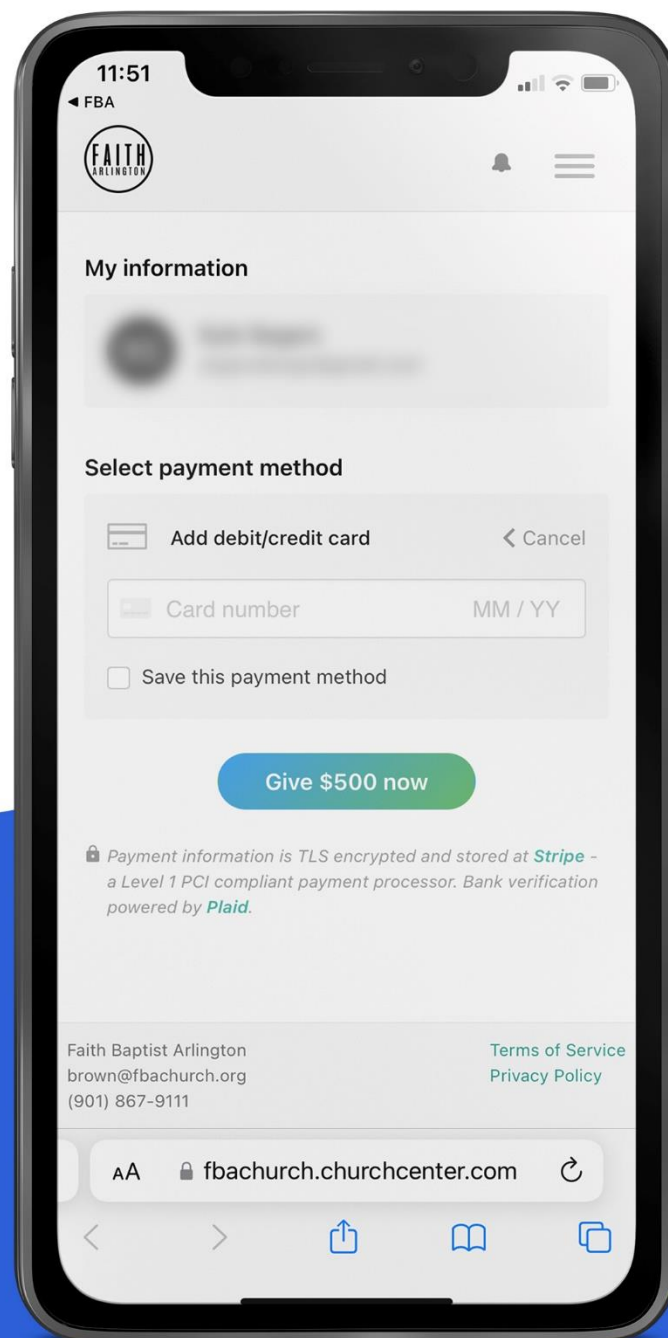

DEBIT OR CREDIT CARD INSTRUCTIONS

Select "Add debit/credit card", input your card number and the expiration date, and select "give now"! You can also select "Save this payment method" if you'd like to save the card to your account.

BANK ACCOUNT INSTRUCTIONS

Select "Add bank account", then select "Verify your account". Select "Continue" on the next screen, then you will be prompted to select your bank. Find your bank in the list, select it, then enter your login credentials and select "Submit" to verify your account.

Select payment method

🏛 **Add bank account**

⟨ Cancel

We'll need to verify your bank account before it can be used for giving.

Verify your account

Having trouble? You can also use your routing and account numbers to **manually verify your account**.

Note: Manual verification can take up to 3 business days; you won't be able to donate today.

🔒 Payment information is TLS encrypted and stored at Stripe – a Level 1 PCI compliant payment processor. Bank verification powered by *Plaid*.
